

STRENGTHEN

CERTIFICATES OF ORIGIN

The Michigan Chamber provides Certificate of Origin (COO) services essential for international shipping through an online portal that is secure, simple, fast and convenient. You can trust us to help meet your export documentation needs.

Electronic with Customer Support

No travel or mail necessary. Fully electronic process with e-notifications and receipts. Easily copy, edit and resubmit previous applications or rejections online. Responsive customer support available as needed.

User-Friendly and Fast Turnaround

An easy-to-use system that takes you step-by-step for successful application. Certified by Michigan Chamber staff and returned quickly.

Trustworthy and Use as Needed

Ensures export compliance, processed by qualified Chamber staff with any errors identified and corrected in advance.
